New! CROSSWORD PUZZLE BOOKS

Crossword puzzles are today being used more and more as exercises for stimulating, developing and perfecting word skills. All children need to know and use a variety of ways to build a vocabulary and comprehend the meaning of words in order to promote reading, writing and oral expression.

These books are designed especially for children in the primary grades and will serve to engage them in an activity combining fun as a pencil pastime and the learning of new words and meanings for improving their studies. Each puzzle becomes a forthright challenge. After each letter falls into proper place, the eventual solution provides not only personal satisfaction, but much-needed encouragement to the solver to go on to loftier word summits.

Choose from the following list of books and have a few on hand to make sure your child gets a full measure of pleasure from the fascinating world of words.

- 3501 CROSSWORD PUZZLES (Grade 2)
- 3502 CROSSWORD PUZZLES (Grade 3)
- 3503 CROSSWORD PUZZLES (Grade 4)
- 3504 CROSSWORD PUZZLES (Grade 5)
- 3505 ANIMAL CROSSWORD PUZZLES (Grade 4)
- 3506 FAMOUS PEOPLE CROSSWORD PUZZLES (Grade 5)
